Porsche museum, Zuffenhausen

11.000km

11.100km

Summary

On the trip in about 18 driving days
11.111,1km were driven.

I am thinking about to handle
this distance in 10 days. So I can now
Start to plan a new trip which leans
Towards Jules Vernes
„In 40 days around the world“.

Anyway this trip was an interesting experience

Robin Slongo
